### What's Included

The price of this all-inclusive expedition covers everything from travel by private jet, hotels, and all meals and beverages (including select beer, wine and spirits aboard the jet and at group lunches and dinners), to ground transportation, all daily activities, top-of-the-line guides and every single tip. See below in the Expedition Details for a full list of what is included.

### Explorer Destinations

This expedition includes some Explorer Destinations—off-the-beaten-path stops chosen for their remote beauty, wildlife access or historical and cultural significance, rather than luxury lodging and dining.

## The TCS Advantage

Embark on a journey of limitless potential on the new A321, the best-in-class plane for group jet expeditions. This aircraft offers so much more than the comfort of flatbed seats, the reliability of a new plane and in-air connectivity—it also becomes a welcoming home away from home during your travels. The moment you board the private jet, you can breathe deep and leave your worries at the door.
